

## THE CORE

### Enhancing Communities

Work continues on the \$63.5 million CORE (Center of Recreational Excellence). The indoor jogging track is taking shape.

**Pettigrew & Associates is now a qualified Construction Management Services provider through Cooperative Educational Services (CES)**

In addition to engineering, surveying and materials testing services, you can now select Pettigrew & Associates through CES for Construction Management Services. Cooperative Educational Services (CES) is a Purchasing Cooperative that handles solicitation, evaluation, contract award and management for education/public entities in New Mexico.

### Innovative Technology

Design is underway for the reconstruction of NM 18 through downtown Lovington. Pettigrew & Associates and NMDOT used this robotic crawler to video storm drains, determine capacity and identify areas of concern as the drainage study for the project nears completion.

Pettigrew & Associates provided quality assurance to Lincoln County for repairs on Gavilan Canyon Road.

Pettigrew & Associates is providing special inspection services for Sterling Wind Farm north of Tatum, NM. Inspections include structural steel, bolts and concrete.

## PETTIGREW & ASSOCIATES PA

**ENGINEERING | SURVEYING | TESTING**

T 575 393 9827 F 575 393 1543 Pettigrew.us

On April 27, 2017, students from six area high schools gathered south of Jal to launch 10 rockets they had constructed as part of the SystemsGO Engineering and Technology program.

## Supporting Educational Enhancement

Pettigrew & Associates is a proud sponsor of SystemsGO, an educational program to promote engineering studies, develop workforce skills and encourage academic/career paths in STEM fields.
